

## Countless Consumers

Work to fill in the definition of each role in the ecosystem and give an example. If you have time, think of an example of each role from somewhere else in the world.

<b>Role</b>	<b>Definition</b>	<b>Examples in the Sonoran Desert</b>	<b>Examples around the world</b>
Primary Consumer			
Secondary Consumer			
Apex Predator			

In your own words, explain how plants depend on animals in the Sonoran Desert. Give an example of one of these relationships.
